

Declaration of Contamination Status

PRIOR TO THE INSPECTION, SERVICING, REPAIR OR RETURN OF EQUIPMENT

This form is designed to ensure the safety of all persons who may encounter potentially contaminated equipment.

This form must be completed and signed before the equipment is transported back to Integrated Sciences.

One copy to be attached to the outside of the packaging and one copy to be included with the item.

If this form is not completed Integrated Sciences may reserve the right to quarantine the equipment until a completed form is received.
